Welcome to Sfizio, a crossroads of stories and cultures,  
just steps away from Termini Station.

From breakfast to coffee, from pizza to traditional dishes,  
we offer a complete culinary experience designed to  
accompany you at every moment of the day. No matter where  
you come from or why you are traveling: here, you will find  
comfort, accompanied by a smile, a kind word, and a family  
atmosphere.

Sfizio is the result of a family tradition that, generation after  
generation, has preserved its love for hospitality and quality.  
For over seventy years, the family has worked with passion  
to offer customers an authentic experience, keeping alive  
the values passed down by its founder, Titi.

Every customer is a guest, and every visit is an opportunity  
to create a moment of warmth and connection. We want to  
offer you more than just a service: we want you to find  
a home away from home.

We believe that diversity enriches what we do and how we  
do it. Our staff brings with them traditions, stories, and skills  
that make our experience a celebration of Termini's cultural  
richness. This is why we are very proud of our multicultural  
team.

True quality starts at home: almost everything you find at  
Sfizio is made by us, carefully selecting top-quality raw  
ingredients to ensure authentic flavors and high quality. Every  
product is unique, crafted to offer you a taste you can only  
find here.

Come in and let yourself be embraced by the unique  
atmosphere of Sfizio. Here, you are always welcome,  
always at home.
